

Nemo-Q

HOME COFFEE GRINDER

THE **SHAPE** OF THE COFFEE POWDER

Quamar introduces the new HOME line of coffee grinders with the new **Nemo-Q** model, the coffee grinder with professional features designed to meet the needs of the home users.

Nemo-Q is distinguished by its incomparable ease of use and for its extraordinarily compact size.

The new HOME coffee grinder comes with an innovative design and unique style, soft and comfortable shapes, modern colour combinations they give the coffee grinder originality and renewal.

Thanks to Nemo-Q, Quamar brings the grinding efficiency to the world of home use, and introduce also in the home product market the concept of

● **the shape of the coffee powder** ●

Nemo-Q guarantees ground coffee that enhances the aromas and tastes of the various blends and makes sure you can have perfect coffee also at home.
