SWISS PRECISION

807 F FILTER

The 807 FILTER is the first choice for coffee preparation with the filter basket, as its adjustable slide enables clean grinding directly into the center of the coffee filter. Filter baskets of any common size and shape fit into the height- and width-adjustable support. Equipped with professional precision grinding technology, this filter grinder provides optimal grinding results. The 807 FILTER combines enhanced technical features with both proven Ditting grinding quality and modern design for the utmost user-friendliness.

- Premium quality hardened steel burrs for high and reliable grinding performances
- Cutting-edge burr geometry for precise grinding
- Extra-wide range of grind size adjustments from Turkish fine up to very coarse (cold brew)
- Adjustable slide providing a centered and even distribution in the basket
- High-end bag clamping lever and knocker unit guaranteeing minimal retention on the slide
- Height- and width-adjustable filter basket support suitable for any common filter basket size and shape
- Characteristic anodized aluminum adjustment wheel for convenient and accurate setting
- Durable high-performance motor with a high average performance of 7.5 grams per minute
- Improved heat management with two active fans for a steadily higher performance at significantly lower temperature
- Acceptably quiet grinding sound for minimal customer impairment
- Modular construction with easy burr access for quick and convenient maintenance
- Elegant shaping and high-class materials reflecting the highly esteemed Ditting standards

TECHNICAL DATA

Voltage // frequencies // phases	100 V // 50-60 Hz // 1~; 110 - 127 V // 60 Hz // 1~; 220 - 240 V // 50-60 Hz // 1~
Revolutions per minute	1400 rpm (50Hz); 1700 rpm (60Hz)
Burr diameter	80 mm 3.14 in
Burr material	Gussstahl Cast steel
Average grinding capacity*	7.5 g / s
Bean hopper capacity	500 g
Nominal power	500 W
Dimensions (w x h x d)	226 x 536 x 353 mm
Dimensions of packing (w x h x d)	292 x 685 x 377 mm
Net weight	17.9 kg
Shipping weight	19.1 kg
Standards	On request
