

807

RETAIL GRINDER | MOULIN DE BOUTIQUE

The 807 shop grinder is the perfect choice for quality-conscious coffee shops and roasters that grind coffee for their customers directly into the coffee bag. Equipped with professional precision grinding technology, this high-capacity grinder provides optimal grinding results even under high workloads. The 807 combines high quality construction with enhanced technical features and modern design for the utmost user-friendliness.

- Premium quality hardened steel burrs for high and reliable grinding performances
- Cutting-edge burr geometry for precise grinding
- Extra-wide range of grind size adjustments from Turkish fine up to very coarse (cold brew)
- Steady ground coffee flow with minimal retention providing an even distribution into the coffee bag
- High-end bag clamping lever and knocker unit guaranteeing minimal retention at the spout
- Characteristic anodized aluminum adjustment wheel for convenient and accurate setting
- Durable high-performance motor with a high average performance of 450 grams per minute
- Improved heat management with two active fans for a steadily higher performance at significantly lower temperature
- Acceptably quiet grinding sound for minimal customer impairment
- Modular construction with easy burr access for quick and convenient maintenance
- Quickly removable bean hopper and magnetic drip tray for easy and thorough cleaning
- Compact footprint ensuring the efficient use of valuable working space
- Elegant shaping and high-class materials reflecting the highly-esteemed Ditting standards

TECHNICAL DATA

Voltage // frequencies // phases	100 V // 50-60 Hz // 1~; 110 - 127 V // 60 Hz // 1~; 220 - 240 V // 50-60 Hz // 1~
Revolutions per minute	1350 rpm (50Hz); 1650 rpm (60Hz)
Burr diameter	3.14 in
Burr material	Steel
Average grinding capacity*	450 g/m
Bean hopper capacity	500 g
Nominal power	500 W
Dimensions (w x h x d)	216 x 536 x 300 mm
Dimensions of packing (w x h x d)	292 x 685 x 377 mm
Net weight	17.4 kg
Shipping weight	18.8 kg
Standard color	Black, Black & white Bean hopper: Black, smoked
Listings	CB, UL/CSA, NSF, KTL, EAC
Standards	On request
